Dear Ron,

It was great meeting you in person at the Ron LeGrand event in Las Vegas in July, and hearing you talk on how to purchase property with Self-Directed IRA's your company provides.

You asked me to write a letter for others so they can understand how to purchase with their IRA's. SO
HERE'S MY STORY!

I purchased my first property after starting the Ron LeGrand system, through my Roth IRA at Equity Trust Company. Believe me I knew nothing about taking deeds to properties much less in the IRA's name. **So what did I do?** I called Equity Trust and told them that I had a person wanting me to deed me a house and I wanted it to be purchased in my Roth IRA. **Equity Trust told me step by step what I needed to do!**

IT WAS AS SIMPLE AS THAT.

Just to let you know how that deal worked out! I did purchase the house with my Roth IRA. That deal netted me \$61,000. YES \$61,000. PURCHASED WITH MY ROTH IRA, TAX FREE!
