The speaker, Lorenzo Spencer, was knowledgeable, enthusiastic and came across as real life, real time. During the middle 90s, I attended Ron LeGrand's Boot Camp in Tampa Bay. I did well after receiving the information. But now, I learned I need to get back into Boot Camps to learn more of the "subject to" and the "pre-foreclosure" techniques. Mr. Spencer, I really appreciate what you gave me back; my enthusiasm is back. I thank you. **James Johnson - Lyndhurst, OH**

I was at a seminar in Akron 2 days ago and the speaker was very demeaning and insulting--to an extreme. Thank you Mr. Spencer for not battering us if we didn't buy product. You kept my attention! **Johna Rosier - Shiloh, OH**

Lorenzo Spencer is very knowledgeable about Real Estate investing and he provides information so you can understand it! **Jeffrey Thomas - Hanover, PA**

I thought that this seminar is very informative for anyone that is trying to propel themselves into financial freedom. You must get to one of these seminars first to get the main core and knowledge to move you onto the number 1 goal in this business- The Boot Camp (College). After 8 days from this Boot Camp, then and only then will you have the basic

simple knowledge to get you to the end of your rainbow and collect your pot of gold. I will be at the next closest Boot Camp to get my pot of gold- will you? Real Estate will be my next new vehicle! I KNOW NOW! Thank you very much. **Tavane Lewis - Birmingham, AL**

Today was a big eye opener. I've been investing for about 4 or 5 years. I learned a lot of things dealing with Real Estate investing. I've lost a lot of money and time over these few years. I talked to many people about how to invest properly, but I am not really making much money, or even see how to make more profit and protect my property. Today I've learned more than I have in years. Thanks. **Prentice McCormick - Birmingham, AL**

I have taken several classes and workshops and this is by far the best I have ever seen. **Kenneth Brown - Blountsville, AL**

Best Real Estate seminar ever attended. Illustrated and explained actual transactions- gave benefit to those of us not in position to take advantage of out of town follow-up seminars. I have attended several Real Estate seminars but none have gotten my attention like this one did. Mr. Spencer made it look real and possible. **Charles Homan - Birmingham, AL**

I appreciate the amount of information shared. I have all the courses and have attended Boot Camps, but I am still amazed at Ron's approach and everybody else's. My first house was an ugly house that was going into foreclosure. It had so much equity between the mortgage and the ARV that I didn't attempt a short sale. I got the deed and cured the foreclosure. It took a while to do the rehab, but we netted around \$57,000 on our first deal. Thanks! **Philip Stone - Colorado Springs, CO**

be able to net \$15-\$20,000 within the next 30 days. Thank you! Thank you! Thank you!
Terry Rowlan - Loveland, CO

I have committed to make this year the best, most abundant year of my life (so far). I attended Ron LeGrand's Fast Cash Seminar in January in keeping with that commitment and I am so glad I did. Lorenzo Spencer is very dynamic, humorous and enthusiastic and he offered me the reality that I too can make a fortune in Real Estate. While I am unemployed currently and unable to put out the money to attend the Boot Camps at the time of the seminar, I am committed to finding the money no matter what to get to the Boot Camps. Thanks, Lorenzo for the encouragement and enthusiasm I needed to really get going on my dream of unlimited income doing something I can have a great time with. I'm on my way and completely sold on the Ron LeGrand method. **Michele Matisse - Highlands Ranch, CO**

Good session. Never heard investing taught this way. This is the real deal. **Victor Holmes - Dickinson, TX**

Through the years I've probably attended more of these types of seminars (related to Real Estate) that I'd care to admit. As of 5 years ago, I vowed not to spend another dime on these systems because they ended up taking up 2 of the most valuable assets to me: time & money. However, after listening to Lorenzo (and staying for the whole seminar) I have been invigorated and hope that I'll be able to take hold of this wonderful opportunity.
Clinton Lee - Houston, TX

You are providing a great service by making more people aware of the potential for financial independence from real estate business opportunities. **Scott Borland - Elmendurp, TX**

If I only use one ore two items taught, I can probably make more money with this part-time than I can at my full-time “job.” **Jim Myers - Woodstock, MD**

The beginning of January '05, I went to a Free Seminar offered by one of your competitors (RW). I did not get any information, it was all geared to going to the 3-day workshop in which I paid \$1,000. I went to the 3-day workshop at the end of January '05, but that was geared to getting more advanced training. The cheapest offering was \$8,000. I did not learn anything that weekend. However, I can say that your 1-day Free Seminar was very informational. I learned more today than I did that weekend. I will sign up for the Pretty and Ugly House Boot Camps. The price is worth it, and moreover very reasonable.

When I came with him to Lorenzo's seminar, he showed me just how much I wanted to be in this business. I just finished my 1st year in college and I'm already ready to go out and buy my 1st house. It's just mind boggling. **Ashley Payne - Houston, TX**

Good session. Never heard investing taught this way. This is the real deal. **Victor Holmes - Dickinson, TX**

Through the years I've probably attended more of these types of seminars (related to Real Estate) that I'd care to admit. As of 5 years ago, I vowed not to spend another dime on these systems because they ended up taking up 2 of the most valuable assets to me: time & money. However, after listening to Lorenzo (and staying for the whole seminar) I have been invigorated and hope that I'll be able to take hold of this wonderful opportunity. **Clinton Lee - Houston, TX**
