Cam was a great MC! Very knowledgeable, enthusiastic & kind-hearted. His approach was comforting, light hearted but direct & informative. The bus tour was a very knowledgeable experience & eye opening & thought provoking. Beau & Rick did a great job. All the other speakers were all informative & provided new outlooks into different techniques. Also helpful & inquisitive. Great program, & great speakers! **Dan Keuh Jr - Pittsburgh, PA**

I am blown away by the tremendous support and talent of the whole Global organization, beginning of course, with Ron and each team player in the organization. I'm 68 years old and feel like a teenager when I'm around such positive, can-do people. Where have you been all my life? **Raymond Walls - AnnArbor, MI**

I enjoyed this event immensely. I learned a lot and got very excited. I especially enjoyed the bus trip and seeing the ugly houses in Elgin. I enjoyed learning how to estimate repairs. It was valuable to meet realtors and other investors. The boot camp made me realize how important it is to set goals and do it in little bites. I plan to start advertising on a regular basis and listening to Kathy Kennebrook and Ron LeGrand's Cds. I plan to drive neighborhoods and hope to start making offers next week. I know that I will become successful and will start giving back to charity. Thanks Cameron, Kathy, Robyn, Rick and Beau for inspiring me to become a Real Estate Entrepreneur. **Sharon Snider - Hanover Park, IL**

The boot camp was "bar none" the best event I have ever attended. Before I bought Ron's program, I was headed in the wrong direction w/ my Real Estate investment plan. I am now armed & dangerous. Look out. Thanks everyone. **Jon McMullen - Roseland, VA**

I was very pleased with each part of this program. Each day that went by, I felt more positive I will enjoy being part of the industry. It was a fun experience. **Bonita Vitek - Naperville, IL**

"What did you like best about the event" The motivation that you all gave to me to help me better understand and go out w/ my husband and make our future something we could never have before thought possible. **Dawn Banks-Gogurt - Columbus, WI**

The Ugly House Boot Camp was very beneficial and worthwhile. Besides the excellent speakers and information, I was able to network and gain information concerning private lenders, local realtors who work with investors and gain new friends who I can call for advice. I can't wait for the Pretty House Boot Camp! **Mike Adams - Naperville, IL**

Received a wealth of useful information to get started in the "Ugly House" business. I believe a person can waste a substantial amount of time and money in attempting an endeavor they are not prepared for. The Ugly House Boot Camp provides the type of information in a logical sequence and practical manner...that will help insure your success. **Frank Vitek - Naperville, IL**

This is my 1st boot camp and I am very impressed with the amount of information we received. I now feel like I can "get started." Thanks a million. **Sharron Myers - Cottontown, TN**

I want to thank the staff of the Boot Camps from the bottom of my heart. I first got introduced to the Real Estate investment industry about 2 years ago. Since going to the Boot Camp 2 months ago, I have had much better success. I have made more offers (about 4 per week) that actually make sense to me & my sellers. **Katie Getzinger - Perris, CA**

I have been to a Boot Camp with a different company but it was not nearly as good and informational as this one. Not to mention much more expensive. I just want to thank Ron and his staff and I promise I will be successful. **Jose Castro - Fontana, CA**

This is the most straightforward, step-by-step explanation of how to invest in Real Estate I can imagine. Thoroughly knowledgeable and interesting instructors are readily accessible to class participants and provide insight, confidence and inspiration. **Bruce Bunch - Palmdale, CA**

Very informative, made me anxious to start my 1st deal. I enjoy and appreciate the fact that you try to help people succeed and work on win-win situations. Great speakers! **Jane Hirsch - West Covina, CA**

I have been to a number of trainings. The Boot Camp was well organized and fortified believing in a dream again. Great to see new opportunities for success in our 60's. **Ben Bentzien - La Jolla, CA**

I am a retired FBI Agent, an attorney licensed to practice in CA and a licensed CA Real Estate Broker. I have attended many of many training sessions in the U.S. Government, the military, and continuing education and training classes for attorneys and realtors. This may be the best training seminar I have ever attended. **Gary Laturno - Lemon Grove, CA**

This has been the most thorough information regarding Real Estate that I've seen when compared to all the other popular trainers and educators. **Roger Khoury - Los Angeles, CA**

This was my first experience with this whole world of Real Estate investing and loved it !!! I'm excited to go to [ACTION](#) and learn more. **Aaron Watts - Buena Park, CA**

Basically all the information was valuable. I was convinced that the tools and resources available can make me successful only if I get off my duff & work the business. Believe it or not, I didn't tell my husband how much I paid for the Ugly & Pretty House Boot Camps. Finally, the evening after the first day's class, I confessed over dinner. He was shocked! I wanted to cry. But I wanted to know how he felt about the first day's presentation. He was convinced that we can work this business and instead of just me working it, he's willing to also. We're going to set our plan & goal and get this working starting Monday. Now he's asking me questions and telling me we have to do

This and that to get set up. Thank you for bringing us closer. We have a plan & goals that we can start working on again in our marriage. **Gina Lupian - Bonita, CA**

Provided information that is needed to start my business and provide me with the tools and packets I need to become a millionaire/billionaire. **Lisa Harris-Jupiter - Los Angeles, CA**

Everyone seemed very committed to my success! Thanks sooo much. **Thomas Horning - Westerville,**

Very motivational 4 days. I’m not a rookie, but this will definitely help me shift from 1st gear to 2nd gear and keep moving. Can’t wait to see y’all at the “Pretty House Boot Camp” next month! **Steven Scheibe -Fairview, TN**

Great information. I went to MMBC last year and my business really took off. I came back as a refresher and to “recharge” the battery. One of the best things about returning is the networking opportunities. **Wade Munday - Atlanta, GA**

Very well taught. I felt things were gone over almost with a fine tooth comb. I felt I learned a lot and got the encouragement I needed to start a life-changing business. **Lisa Rednour - Acworth, GA**

The Ugly House Boot Camp was the push I needed to take action and take the first steps needed to get going in this business. There were practical steps and tips for beginners. Fear of not knowing how to get started has been holding me back. The speakers were motivational, relating to the fact that many of us are experiencing fear & trepidation. **Danuta Naish - Ramona, CA**

I am blown away at the end of 4 days of Ugly! I feel I have the info & the tools to go out there & start. I will do at least 2 houses in the next 4 weeks. Thank you all for being there & communicating your knowledge. I love you! **Carol Noe - La Crescenta, CA**

I enjoyed this Boot Camp tremendously! I just now need to implement what I have learned! **Ron Noe - La Crescenta, CA**

Cam’s presentation Thurs afternoon was incredible! It put all the pieces together and made me feel like this is something I can do. I don’t have a background in Real Estate and often felt overwhelmed this week. Cam’s presentation empowered me! Thank you! **Ronda Fisher - Stevenson Ranch, CA**

If you can’t make a million dollars from the information taught in this class then you never will! **Greg Zsche - San Diego, CA**

This whole experience has been very enlightening. I am a beginning Real Estate investor and have obtained knowledge which will enable me to feel confident and have the advantage over the untrained prospective Real Estate investor. **Brian Lee, MD - Los Angeles, CA**

I felt that the presenters are very knowledgeable and a perfect team to train and motivate. I am so excited

to understanding that I have to make 10 offers in order to get a deal. I appreciate knowing the numbers and eager to begin. Robyn's testimony regarding about her job at IBM and her second job. But the best piece of advice was "How much time do we have?" "What do you want?". I am excited about doing my first deal and writing all of you. Thank you from the bottom of my heart. **Maria Hein - Covina, CA**

Attending this course has opened my eyes to the multiple opportunity streams of business there is in Real Estate. I can say that after this or from this point on I will no longer think in the same manner as the past. I feel like I've been put in a rocket ship and I'm waiting to launch to success. **Ramiro Garcia - Oxnard, CA**

Our exit will be to retail it for cash, because we need the money. We are going out, after Ugly House , to buy up everything we can (under MAO) P.S. We are starting to look for our dream home after renting the house we live in for over 13 years. **Dana Klaft - Nipomo, CA**

I love this company! I have made over \$150k just by reading your materials you put out. This is my 1st Boot Camp. I can only imagine what I will make next. Ron, tell the world- look, here I come. **Tyrone Bagby - Richmond, VA**

This was literally my first look into the business. After the first morning session, I knew my life hand changed forever. Thank you. **Sarrin Towle - Bonita Springs, FL**

The Ugly House Boot Camp takes you step by step through the most essential parts to make money now. It focuses on taking care of my cash needs before worrying about cash flow for tomorrow. Highly recommended! **Felipe Ferrer - Hoover, AL**

The Ron LeGrand group is absolutely, hands down the greatest! The speakers, the bus trip, the tips alone could make you a fortune. Without knowing what we were doing because we had not let everything sink in after the first Boot Camp, we ended up making a \$15,000 check off of what turned out be a wholesale deal. **Linda Sorrows - Lonoke, AR**

Thanks Ron. You promised, then delivered. That's all that needs to be said. I will send you a copy of my 1st check within 90 days. **Hugh Long - Newton, NC**

I am amazed by the information filled into 4 days. I am ready to start immediately and I see our lives drastically change. I can't wait to go to other seminars with Ron LeGrand. Ron, please educate me forever. You are king! **Buteh Phelps - Sarasota, FL**

The Ugly House Boot Camp provides practical, hands on experience which is invaluable to anyone getting into this business. With a room full of like-minded individuals, you are sure to establish a network of contacts to help support your business. The Ugly House Boot Camp is a necessity to jump start your future! **Phillip Rowell - Monroe, NC**

Each day was run very well. Much more information than a person can possibly absorb at one time, yet I

am sure that kind of teaching is most effective. It is very good to be exposed to things that, as of yet, you cannot fully comprehend. **John Bryant - Mishawaka, IN**

Awesome Boot Camp! Knowledgeable & personable presenters. Great pace! Excellent information provided. This was my 2nd time attending & I understood things much better now. I am going to apply these principles & strategies immediately. Keep it up! **Jeff Barry - Boca Raton, FL**

My husband and I are probably like 2/3's of the room--we need financial backing to get started. Thanks to Cam's techniques, we are leaving the Ugly House Boot Camp with 2 partners and one of them is one state over from us. We are very excited! I don't know where we would be without Ron & Global Publishing! **Derocia Turner - Southaven, MS**

With the information I've been given, I plan to change my life. **Johnny Turner - Southaven, MS**

I was flooded with so much information, I'm flabbergasted. It was very educational & informative. One of the best parts was going in the buses to check all the ugly houses. It was a great experience. I also loved Robyn Thompson's presentation. I was very spiritual & uplifting. **George Munoz - Astoria, NY**
