What we learned in the Business Management Boot Camp will propel our business again to a much higher level. This event is a must for anyone that wants to improve cash flow. Actually the name of the boot camp should be changed to “the less I do, the more I make.” This boot camp is a Real Estate Investor no brainer! We got one idea that will increase our cash flow by more than most people will make in the next 10 years! **Stephanie Iannotti - Butler, PA**

I have attended Pretty/Ugly House Boot Camp, MIS, and Management class. Material being taught us easy to digest and it is a pleasant class. What I need to do now is to apply it to myself so that I can have my 1<sup>st</sup> transaction closed. **Sugianto Jasin - Aurora, IL**

As I sit in this Business Management Boot course I am all smiles. It's paid for because I stopped listening to the morons and listened to more Ron. Got a call from a seller who saw my sign. He called with a 3/2 cape cod for sale needing about \$15,000 in work, owed \$50,000, was asking \$70,000 and the ARV was \$195,000. We bought the house using a private lender for \$60,000, placed a sign outside and took sealed bids for 12 days. After that time we accepted a bid “as is” for \$126,000. We closed on the property in April and took home a check for \$63,875.67. That's only 120 days after we bought the property. Thanks Ron this is my first junker. This is more than what I used to make on my job all year. God bless you. **Gilbert Mack Jr. - Winchester, VA**

Ron has changed my life by giving my partner and I the tools to build a business that is rewarding on many levels. **Jeanne Pierce - Wellington, NV**

Ron has a common sense approach that makes what he teaches applicable when we return home. Ron's willingness to share his experience & knowledgeable has changed our lives. He could have continued to do what he was doing and never shared with us, but he didn't. **Jamie Harrington - Taylorsville, NC**
